## Letter from Dan

This is a different “Letter From Dan”! My last day in the business is quickly coming- May 1, 2025. It has been a great time- I have met many people, seen many things and have been a part of many of your successes and challenges. Many things have changed in the 43 years that I have been in the industry, but one thing will never change- the care that we have for you, our clients.

So, I will take this opportunity to thank everyone for the trust, friendships, personal feelings- all part of what has made my career. I am confident that I was of assistance to you along the way- I found that a career of serving others can be very rewarding.

People have asked me what comes next for me. Most know of my grandchildren (total of ten- three oldest are age 6) and helping them grow up in this much more complicated world! We have a trip to Oregon and Idaho planned for this summer- I will only have Delaware left on my quest for all 50 states! I will golf a bit, garden some, read and attend more Twins games. I still am part of the Rochester Choral Arts Ensemble- a choir in Rochester. I know that I will keep busy- I am not one to sit around home!

So, I will say “see you later” (I am not one for goodbyes) and know that I am leaving you in good hands here at the firm. I wish you the best that life can give to you and encourage you to find the positives in everyday life- it is what makes life fun and peaceful.

Thanks again!

Dan Kutzke
